Make the Holiday Season Bright at Hospitality House

The holidays are upon us, and we need your help to provide Hospitality House residents with the joy of the season! There's so many ways for you to get involved:

- **Sign up for an office shift.** Having a volunteer on site means our residents can stay on site during the day, and out of the cold as well.
- **Adopt a Resident.** Each year, residents prepare a wish list of items totaling \$50. You can make their Christmas memorable by being paired with a resident to adopt, and make her Christmas wishes come true!
- **Provide a meal.** From December 19–December 24, we need volunteers to sign up to provide dinner for the House. You can channel your inner Martha Stewart and provide something delicious and homemade, or you can order from your favorite local restaurant or meal delivery app!
- **Instead of the yearly gift exchange with friends,** go in as a group and purchase essential items for the House from our Donations Needed List.
