Home, Health and Hope for Women Experiencing Homelessness

RESIDENT ADOPTION

The holiday season can be a stressful time for anyone, let alone when you are experiencing homelessness. We want our residents to be reminded that they matter and to help them feel included - especially during this time of year.

How it Works

1. Visit our [Resident Adoption SignUp](https://signup.com/go/SkUgOge). Use the link below & sign up, so others know how many residents still need to be adopted!
<https://signup.com/go/SkUgOge>
2. Each of our 9 residents write a wish list containing up to three items. The total value of the entire list is no more than \$50, and it includes details like clothing sizes, favorite colors, and other helpful information to make your job easier.
3. We'll pair you with a resident & provide you with their list, along with any links to exact items on the wishlist (if needed). Please refrain from purchasing additional items for your resident so things can remain more fair for all.
4. Wrap your gifts (be sure you put your resident's name on them!) and drop them off at Hospitality House on Monday, December 22 between 9am - 4pm.
5. Our staff will place your gifts under our Christmas tree for residents to open on Christmas morning!

We depend on *you* to make this tradition possible! If you are interested in adopting a resident this year and providing her with holiday cheer, please visit the SignUp linked above and we'll send you a follow up email.
